About the Journal

CommonHealth, a journal of the College of Public Health at Temple University, is a peer-reviewed, online-only, open access journal for rapid dissemination of high-quality research and scholarship related to all aspects of public health. The journal publishes papers of interest to public health scholars in academic, clinical, government and industry roles working on all aspects of major public health issues.

All articles published in *CommonHealth* are immediately freely available to read, download, and share. Accepted papers are published under a Creative Commons license. With Creative Commons licenses, the author retains copyright and the public is allowed to reuse the content.
